

# FAMILY NURSE PRACTITIONER, M.S.

# ALL IN

## FOR CARING FOR PEOPLE IN EVERY STAGE OF LIFE

Want to care for patients of all ages and boost your earning potential? A Family Nurse Practitioner (FNP) degree gets you there.

Designed for working R.N.s with a bachelor's degree, this program prepares you to care for patients across the lifespan. You'll be eligible for FNP licensure and certification, ready to deliver primary care in a variety of settings.

With flexible online courses and 1 hands-on week on campus, you'll build skills in nursing science, leadership, diagnostics, and more, so you can step confidently into your future as an FNP.

### HIGHLIGHTS

- Learn 1 course at a time online, graduating in 3 years
- Receive exceptional support from faculty
- 600 hours of Clinical Practice Experience during clinical courses
- Solve a real problem in your capstone project

### CAREER OUTLOOK

- Anticipated high growth rate for this field
- FNP's, on average, earn a salary of \$127,449\*
- Collaborate with professionals and communities to advance health equity everywhere - locally, regionally, and globally.

- 36 months
- 54 program credits
- \$979 cost per credit (+fees)
- 100% online except one 1-week in-person lab
- 2 Starts: Spring & Fall

### ACCREDITATION

- Regional: Middle States Commission on Higher Education
- Professional: CCNE+
